" " " 2001	191.4

Thirty-nine counties entered the County Cup & BSA Cup competitions this year in three sections A, B and C. In the County Cup we made sixth place in section B with our score down a bit from last year. In the BSA Cup we made twelfth place in section B, also with a lower score than last year. Over the last eight years the general trend for our average is up, so perhaps next year we can improve on our best scores of 2005. My thanks to all those who took part.

Alan Roffey County Captain
