Thirty-two counties entered the County Cup and Thirty-seven in the BSA Cup competitions this year. In the County Cup we made sixth place in section B with our score down from last year. In the BSA Cup we made fourteenth place in section B, also with a lower score than last year. This year wasn't a good result for us, although our scores have been improving over the last few years. So maybe next year we can raise our game. Congratulations to Diane for her top score in the County Cup and to Robin Taylor with just one point away from a perfect score in the BSA Cup.

Alan Roffey County Captain
