Twenty-nine counties entered the County Cup competition this year in three sections. We were promoted to section A this year and we were eighth with a score of 4605, which was down a little on last years score. Thirty-seven counties entered the BSA Cup. We were promoted to section B this year and came tenth with a score of 2308. Congratulations to Alan Parkinson for his highest score in the County Cup and congratulations to Darren Sprules for his perfect score in the BSA Cup. And special congratulations to Neil Umpleby, our youngest shooter from Faversham club, for his second highest score in the County Cup.
