Our scores were a little down on last year, this was also true for Surrey and Hertfordshire and was probably due to the conditions on the day. We came third ahead of Hertfordshire and Middlesex, which isn't a bad result all considered. Congratulations to Darren Sprules for having the highest Kent score.

Scores for the Ladies team were also a little down on last year because of the conditions which also affected Hertfordshire Ladies. Surrey's scores were a little up on last year, so being at home probably helped. Congratulations to Diane for having the highest Ladies score since 2004.
