This was the closest competition for years. We missed second place by only four points and third place by only one point. The conditions were very difficult for shooting and most scores were down, but we were only twelve points behind our score from last year. Three shooters improved on their 2008 scores, John Bennett, Mike Townsend and Keith Adair. Congratulations to Robin Taylor for having the highest Kent score.

No team this year

The Ladies team did very well despite the conditions, as their scores were up on last year and the team score was also up ten points from 2231 in 2008. Unfortunately Hertfordshire also improved on their score from last year. Congratulations to Diane Russell for having the highest Ladies score.
