As expected we lost our final round to Aberdeen and finished the competition in third place. Six wins and four losses is good as far as it goes, but we never really achieved our potential as our average was always below that at the start and our total score is 57 points lower than last year. I thank everybody for returning their cards in time for posting to the marker. Well done to Mike Townsend whose average kept him at the top throughout the season, although Mike Dowe tried his best to unseat him and was just one point short. Next seasons' divisional placing relies on this years average and I remain hopeful we can keep to division two. Thanks again and may we have better luck next year.
