4th

Although we had a decent score for round ten, we lost to Cambridgeshire by nine points. As luck would have it both Caithness and Essex both won their matches and we dropped to fourth place, but we did have the third highest total score at the end. During the season we spent six rounds in either first or second place. We also had a better average and eleven points more than last season, so we are improving our performance and I hope we can move up to division one soon. Congratulations to Gary Nash who finished the season in top position. Thank you all for a tremendous effort and for posting all your cards to me in good time. I'm looking forward now to next season.

Alan
